Children's Home is one of the oldest, largest, locally-based social service organizations in the Tri-county area. Our staff of over 400 professionals is committed to community-based, family-focused programs that provide counseling, education, residential programs, foster care and support to more than 1,700 children and families each month. We serve children from newborns to young adults with two-thirds of our population being over the age of 13. We remain:

Optimistic that better outcomes are possible;
A Collaborative member of our community, working with others to meet new challenges;
A Leader in our field, with the expertise to deliver impactful and inspirational outcomes for our community.

HOW TO HELP

We feel strongly about engaging those within our community to get involved with Children's Home in whatever capacity they are able. A

donation of your time, talent or treasure goes a long way towards helping Children's Home continue to change and save lives.

Want to take a more hands-on approach? Please contact Children's Home volunteer coordinator Laurie Klopfenstein at (309) 687-7208 or lauriek@chail.org. Whether it's landscaping, painting a room that needs some TLC, or mentoring a child in our care, our volunteers make a huge difference.

Monetary donations are always appreciated, but we are also in need of new donated goods. These include: hygiene products, diapers, baby formula and household items. Contact Holland Nickerson at (309) 687-7268 or hnickerson@chail.org for more information.

No matter how you want to make your impact, we encourage our community to get involved in raising up our community... one at-risk child at a time.
