- Cultivate and maintain positive, mutually beneficial relationships with donors
- Encourage participation from volunteers and donors

- Provide accurate appropriation and responsible stewardship of all donor gifts
- Spread awareness of the OSF HealthCare Mission

Vision

Together, through philanthropy, obtain resources crucial to enhancing the OSF HealthCare Mission.

Beyond monetary donations, our doors are always open to those willing to donate supplies, toys and their time. For specific questions about how you can give back and support those in need, contact the OSF HealthCare Foundation office at (309) 566-5666 or osf.foundation@osfhealthcare.org.

The OSF HealthCare Foundation supports 13 health care facilities across Illinois and Michigan, Saint Anthony College of Nursing, Saint Francis Medical Center College of Nursing, OSF HealthCare Children's Hospital of Illinois and Jump Trading Simulation & Education Center through philanthropy.

Your gift to the Mission of OSF HealthCare enables us to continue to meet the health care needs of the communities we serve. It nurtures healing and allows us to treat patients at all stages of their lives.

Gifts to OSF HealthCare impact the lives of our patients, their families and our staff of dedicated caregivers. Gifts can be designated to support any area of the OSF Ministry in any community we serve.
