Mission

TAPS is a shelter of hope for homeless animals. We provide temporary sanctuary and an opportunity for life by bringing companion animals and loving people together.

Vision

TAPS brings companion animals together through a comprehensive, holistic adoption center complete with community outreach and education, aggressive spay/neuter, rehabilitation and training programs to ensure a loving partnership for life.

Low-cost spay/neuter programs available!

How to Help

As a nonprofit animal shelter, TAPS does not receive any county, state or federal funding. We operate on community support. You can donate online at tapsshelter.org or by mailing a check to the address above.

You can also view our wishlist at tapsshelter.org to purchase supplies for our dogs and cats. Additionally, we rely heavily on volunteers. We have a wide spectrum of volunteer opportunities, such as walking dogs, socializing cats, taking animals to week-end off-sites, helping at the front desk, and transporting our animals to and from the vet.

TAPS does not turn away animals due to medical need. We are a shelter of hope for homeless animals, and we take the measures necessary to nurse them back to health and place them in adoptive homes. We've treated broken bones, heartworm, upper respiratory infections, eye infections, diabetes, kidney disease, amputations and more.

If we have access to the medical treatment they need, we provide that care at our shelter. We cannot do that without your support. We rely heavily on donors, volunteers, and adopters to do our work on behalf of dogs and cats in need.

We utilize volunteers in a variety of capacities. We need transport volunteers to take our animals back and forth to the vet, help at the front desk to process applications, fundraising volunteers to help us raise contributions to keep the shelter running, dog walkers, cat socializers, photographers and more. If you are interested in volunteering, please e-mail admin@tapsshelter.org. We can schedule
