WHY MAGAZINES?

No other media tells your story like a magazine.

Magazines are the most trusted of all media. Unlike TV or radio, they are not viewed as an intrusion, and because of their physical makeup, they are not quickly discarded. Magazines offer a strong reinforcement of your company's promotional campaign, tying it into a larger brand personality. According to Nielsen, magazines show the highest return on advertising spend—the ultimate performance indicator.

Why advertise with PEORIA MAGAZINES?

Local publications mean local readers—your target market.

20 print issues per year allow ample advertising space and convenient timing.

More than 95 percent of our readers are college-educated professionals, and more than half are business owners or decision makers in their organizations—an ideal demographic for prospective clients.
